Note to Bidders: **Buy America Act:** Bidder/Contractor certifies that it is in compliance with the Buy America Act in that each end product purchased under federally funded supply contract exceeding \$2,500 is considered to have been substantially produced or manufactured in the United States. End products exempt from this requirement are those for which the cost would be unreasonable, products manufactured in the U.S. that are not of satisfactory quality, or products for which the agency head determines that domestic preference would be inconsistent with the public interest. Contractor also certifies that documentation will be maintained that documents compliance with this requirement (FAR 25.1-.2).

All required accessories for the above listed items must be included in the total bid price.
