EMBRACING HOUSTON'S FUTURE:

OUR COMMITMENT TO STUDENTS TODAY AND TOMORROW

Overview

On July 18, 2018, between 1:30 p.m. and 3:00 p.m., Dr. Kurt Ewen, Vice Chancellor for Planning and Institutional Effectiveness, hosted a forum for faculty and staff located at HCC's Coleman College for Health Sciences. Participants were given a short presentation and then afforded the opportunity to provide feedback. Over fifty HCC faculty and staff attended the forum.

As part of the Strategic Planning process, attendees were asked about various aspects of their HCC experience and provided a platform to share specific concerns and needs for their programs. Faculty and staff were also encouraged to sign the Challenge Coin to affirm their commitment to HCC and Embracing Houston's Future.

Fifty-three participants engaged in a dialogue and visioning session, which included a written exercise.
