FOUNDATION

**Because
of you...

futures**

A letter from our executive director

Dear Friends,

The message featured on the cover of our 2018 report tells the story best.

Because of you, more students have opportunities to pursue their dreams and career goals.

Because of you, lives have been changed for the better.

Because of you, Houston has a more skilled workforce.

Your investment in HCC student success is more than monetary. You are literally transforming the lives of our students and their families and influencing future generations.

In 2018, the HCC Foundation celebrated its most successful gala, with appreciation to co-chairs Lina and Michael Sabouni for their outstanding efforts to ensure even more students have the opportunity to pursue their studies at HCC. Overall, we provided **\$3 million in scholarships and grants** in FY2018, all thanks to you and the generous support of our many friends in the community who share our vision for educational opportunity for all Houstonians.

I am also grateful for the dedicated efforts of the HCC Foundation Board of Directors and the leadership of Board President David Regenbaum and the Executive Committee, and especially Immediate Past President Mary Williams who set the HCC Foundation on a path of excellence. It is their committed engagement that drives our efforts on behalf of student success.

Overall, we provided **\$3 million** in scholarships and grants in FY2018.

In this report, you will read about just some of the ways your giving has impact across HCC and our community.

Because of you, a brighter, hope-filled future is now achievable for so many students at Houston's Community College.

Thank you for all that you make possible!

Karen L. Schmidt, MBA, CFRE
Executive Director, HCC Foundation

“One of the nice things about the HCC Foundation is that it helps the students directly. You are enabling people who could not normally attend college to have that chance to gain a real opportunity for a great career in life.”

Dr. Richard E. Wainerdi
President Emeritus,
Texas Medical Center

Mission

HONORS COLLEGE

Barnes & Noble College Opens New Chapters on Student Success

The Honors College at Houston Community College is a special place where talented students study with inspiring faculty members as part of an immersive learning community that prepares them to transfer to the nation's most prestigious colleges and universities.

Barnes & Noble College helps these top-performing students succeed by providing their textbooks at no charge. Many graduates donate the books back to help others in need.

Barnes & Noble has generously supported student success at HCC across many programs with its annual support via the HCC Foundation, including serving as Presenting Sponsor for the HCC Foundation's 2018 gala.

HCC Honors College celebrates the academic achievements of its graduates at an annual luncheon ceremony. Barnes & Noble College generously provides textbooks to students in the program.

GOLDMAN SACHS 10,000 SMALL BUSINESSES

Boosting Local Business and Houston's Economy

Through the innovative Goldman Sachs 10,000 Small Businesses program, small business participants gain practical skills in topics such as negotiation, marketing, and employee management that they can immediately put into action. Participants also receive the tools and professional support to develop a customized strategic growth plan to take their business to the next level.

Texas State Representative Christina Morales, president of Felix H. Morales Funeral Home and the Morales Memorial Foundation, is an alumna of the 2014 program. She shared insights with graduates at the May 2018 graduation ceremony, encouraging them to "work on the business, not in the business." As a member of the HCC Foundation Board of Directors, Rep. Morales reminded the scholars to not forget about their community and to be a mentor to those around them. HCCF Board Member Maria Rios, CEO of Nation Waste, is also a proud Goldman Sachs 10,000 Small Businesses graduate.

Priti Singh, a 2018 graduate, is taking the advice to heart. As CEO of Associated Testing Laboratories in Houston, a family-owned business that opened its doors in 1956, she now has a vastly broadened business perspective powered by the strategic growth plan she developed through the program, and her company is already reaping the rewards.

The 21st cohort of small business owners received certificates of completion of the Goldman Sachs 10,000 Small Businesses program at Houston Community College during a ceremony at the HCC Alief-Hayes Campus held in April 2018.

The Barnes & Noble book scholarship is a key component to our students' college success and high graduation rates, allowing them to start strongly and engage with the course material quickly.

Rodeo officials tour the Public Safety Center to see the impact of their giving. HLSR provides scholarships and equipment, including a training ambulance (featured above), in support of HCC's Public Safety Institute. These resources help students enrolled in the emergency medical services academy, law enforcement, and fire protection programs learn the skills and techniques essential to their service as Houston's next generation of first responders.

HOUSTON LIVESTOCK SHOW & RODEO
Hats Off to a Long-Time Supporter

HCC Foundation Board members kicked off 2018 by giving the Houston Livestock Show & Rodeo a Texas-sized thank-you at their Second Annual Vocational Scholarship Reception. The Rodeo has supported HCC programs and students for several decades, providing grant funding of more than \$900,000 for a wide range of programs and scholarships. That includes \$68,000 in FY2018 alone for HCC's Public Safety Center of Excellence and technical education scholarships.

HLSR's generosity over the years has provided a training ambulance, an emergency telecommunications center, a police training simulator, and a number of other program enhancements for HCC students training to be Houston's future first responders.

REBUILD TEXAS FUND
Qatar Harvey Fund Scholarship Program

The HCC Foundation continued its ongoing support for disaster relief in 2018. A new scholarship program is benefiting more than 100 students who were unable to continue their studies at HCC due to financial constraints resulting from Hurricane Harvey.

The State of Qatar is funding the scholarships with a \$300,000 grant from its \$30 million Qatar Harvey Fund. The fund has already committed \$5 million for long-term recovery assistance through its partnership with the Rebuild Texas Fund, a collaborative project of the Michael & Susan Dell Foundation and the OneStar Foundation.

Both funds were created to support the rebuilding of Texas communities hit hard by Hurricane Harvey.

Check presentation at HCC Board of Trustees meeting where the Qatar Harvey Fund Scholarship Program was announced.

We salute the Rodeo's commitment to furthering education for all Houstonians.

David Regenbaum
HCC Foundation Board President

We are grateful to the Qatar Harvey Fund and the Rebuild Texas Fund for their dedication and passion to help rebuild and revitalize our community, including our HCC family impacted by Hurricane Harvey.

DAVID & JEAN WILEY FOUNDATION/NORMA & SAM GAINER
Inspiring Futures One Student at a Time

Since 2010, the David & Jean Wiley Foundation has contributed more than \$1.2 million in scholarships to the HCC Foundation. One of the largest scholarships the Foundation awards, it has covered tuition, books, and fees for hundreds of grateful students.

Among them is HCC graduate Brittany Wilmore. She had returned to Houston because she couldn't afford to continue her studies at an out-of-state university. A counselor at the Hayes campus encouraged her to apply for the scholarship.

Brittaney was overjoyed when she found out she received a scholarship from the Foundation. Brittaney's scholarship helped her become an example for her brother. It also helped her become a digital producer at ABC13.

Wiley trustees Norma and Sam Gainer, honored at the 2018 HCC Foundation gala, credit the students for their hard-earned achievements.

HCC FOUNDATION GALA 2018
Igniting Excellence

The HCC Foundation held its most successful gala to date in April 2018, raising more than \$720,000 and spotlighting HCC's 15 Centers of Excellence. A percentage of the proceeds benefitted the HCC Disaster Relief Fund.

Co-chairs Lina and Michael Sabouni championed the biennial gala, the Foundation's signature fundraising event, which recognized:

- Dr. Richard E. Wainerdi, president emeritus of the Texas Medical Center, the Individual Crystal Eagle Honoree
- The David & Jean Wiley Foundation, the Foundation Crystal Eagle Honoree, for contributing more than \$1.2 million in scholarship support
- Skanska USA, the Corporate Crystal Eagle Honoree, for supporting students pursuing associate degrees or certificates in engineering, construction technology and related trade studies

Barnes & Noble College was the Presenting Sponsor for the black-tie evening. Gala Auction Chair and HCCF Board Emeritus Ann Hayworth led a silent and a live auction that included a record number of items.

GOLDEN EAGLE SOCIETY ANNUAL DINNER
Recognizing Special-level Donors

HCC's West Houston Institute and its innovative learning spaces welcomed VIP guests attending the HCC Foundation Golden Eagle Society Dinner in October.

The annual dinner lets Foundation board members and staff extend their gratitude in person to donors who contribute \$5,000 or more in a fiscal year. HCC Foundation Board President David Regenbaum toasted the 2018 Golden Eagle Society members. HCC Foundation Scholarship Ambassador and future doctor Thierry Kochkarian expressed his gratitude to the donors as well, telling them his scholarship keeps him striving to go even further in his studies.

Today is a celebration of what we make possible through the Foundation. Our donors turn impossible dreams into achievable goals.

Karen L. Schmidt
Executive Director, HCC Foundation

One of the biggest barriers to education besides fear itself is finance. We are certainly happy that the Foundation takes care of that for our deserving students.

Dr. Carolyn Evans-Shabazz

HCC FOUNDATION SCHOLARSHIP LUNCHEON
Celebrating Students and Donors

HCC Foundation Board President David Regenbaum calls the annual fall event the highlight of the calendar. The 2018 HCC Foundation Scholarship Luncheon lived up to its reputation.

Five hundred guests heard students share their stories, their ambitions, and their appreciation for the donors whose generous contributions make their dreams come true. HCC Foundation Board member and Scholarship and Awards Committee Chair Jeanne Perdue led these "Voices of Gratitude," which included scholarship recipient Sohee Park sharing her thoughts via video.

ASIAN AMERICAN YOUTH GIVING CIRCLE Serving the Community

The Asian American Youth Giving Circle presented a \$5,000 check at the HCC Board of Trustees meeting in August 2018 in support of the ASPIRE scholarship program and initiatives for HCC students. Together with local youth, the organization helps the Houston community by volunteering, raising money, providing grants to nonprofits, and empowering their members to become leaders in the world.

EAST HARRIS COUNTY MANUFACTURERS ASSOCIATION Investing in Houston's Workforce

PetrochemWorks awarded \$85,000 to the HCC Foundation in 2018 in support of the East Harris County Manufacturers Association (EHCMA) Workforce Development Scholarship. The scholarship helps students across many HCC Centers of Excellence who are pursuing workforce training for higher-wage, high-demand jobs. Funds are raised through the yearly PetrochemWorks Golf Tournament, which began as the EHCMA Workforce Development Golf Tournament in 2014.

As soon as I received the money, it was a great help. I am proud to be working in the manufacturing workforce.

HCC FOUNDATION Unveiling the 2019-2020 Strategic Plan

The HCC Foundation's 2019-2020 Strategic Plan builds on its current plan and provides goals for fundraising leading up to the College's 50th anniversary celebration in 2021.

PVF ROUNDTABLE SCHOLARSHIP FUND Scholarships and Trophies

In 2018, the PVF Roundtable, an organization of Pipe, Valve, and Fitting industry professionals, provided over \$31,000 in support for their Advanced Manufacturing Scholarship at the HCC Foundation. The funds were raised at the 10th annual Don Caffee Memorial Golf Tournament held in May 2018.

HCCF Board Members Mary "Longest Drive" Williams and Charlene "Closest to the Pin" White (pictured center) also brought trophies back to the school.

FACULTY & STAFF CAMPAIGN All in for HCC Surpassed Goal

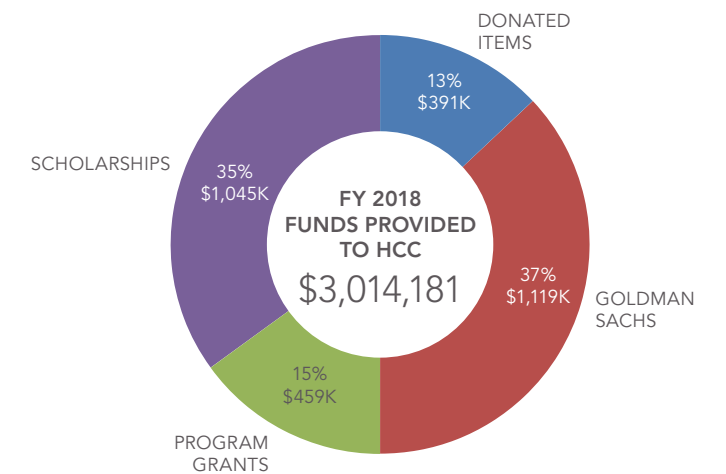

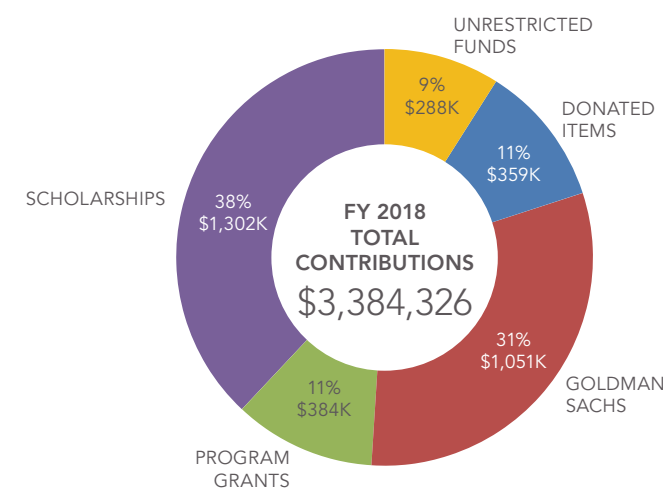

In 2018, the annual Faculty & Staff Campaign, "All In for HCC," raised more than \$105,000 in employee support for student scholarships and programs, surpassing the \$100,000 campaign goal. HCC Foundation board members and faculty liaisons, Professor Antrece Baggétt and Dr. Mary Lawson, helped rally support from their HCC colleagues. The 2018 employee campaign included the annual Bedichek-Orman Auction, hosted by the HCC Faculty Senate on behalf of faculty professional development, for the first time.

COMMUNITY CONTRIBUTIONS

The HCC Foundation is grateful for the support received from the community and what it makes possible for HCC students.

In FY 2018, September 1, 2017 – August 31, 2018, the Foundation received \$3.4 million in contributions from the community. The majority of these funds are restricted according to donor intent. In that same fiscal year, the Foundation provided \$3 million in scholarships and grants to HCC.

Closing notes from our HCCF board president

Dear Friends,

On behalf of the HCC Foundation board, I offer my sincere appreciation for your generous support and that of my fellow board members, a dedicated group of community volunteers and business leaders who, like you, are committed to improving the lives of Houstonians through the gift of education.

I hope this report has provided insight into the many ways your giving has impact across the College.

Houston needs a skilled workforce to drive its economic future, and Houston Community College is the engine. For many potential skilled workers, however, financial constraints present a challenge to realizing their career goals. Your support helps bridge this gap.

HCC's student body reflects the vibrancy of Houston, our nation's most diverse city and one of its largest. In response, HCC offers many pathways to success, from short-term certificate programs to core academics for students working toward an advanced degree. Across this arc of possibilities, the HCC Foundation is there to support their dreams with financial support.

As an entrepreneur in residence, I have witnessed firsthand how HCC fuels Houston's economy through innovative programs like Goldman Sachs *10,000 Small Businesses*, featured in this report. As president of the Foundation board, it is my privilege to share with our community remarkable stories of students and programs impacted by Foundation support. Both roles highlight how HCC is truly Houston's Community College.

Kinder Institute for Urban Research Founding Director and HCCF Board Emeritus Member Dr. Stephen L. Klineberg says, "*HCC is where Houston's future is being created.*"

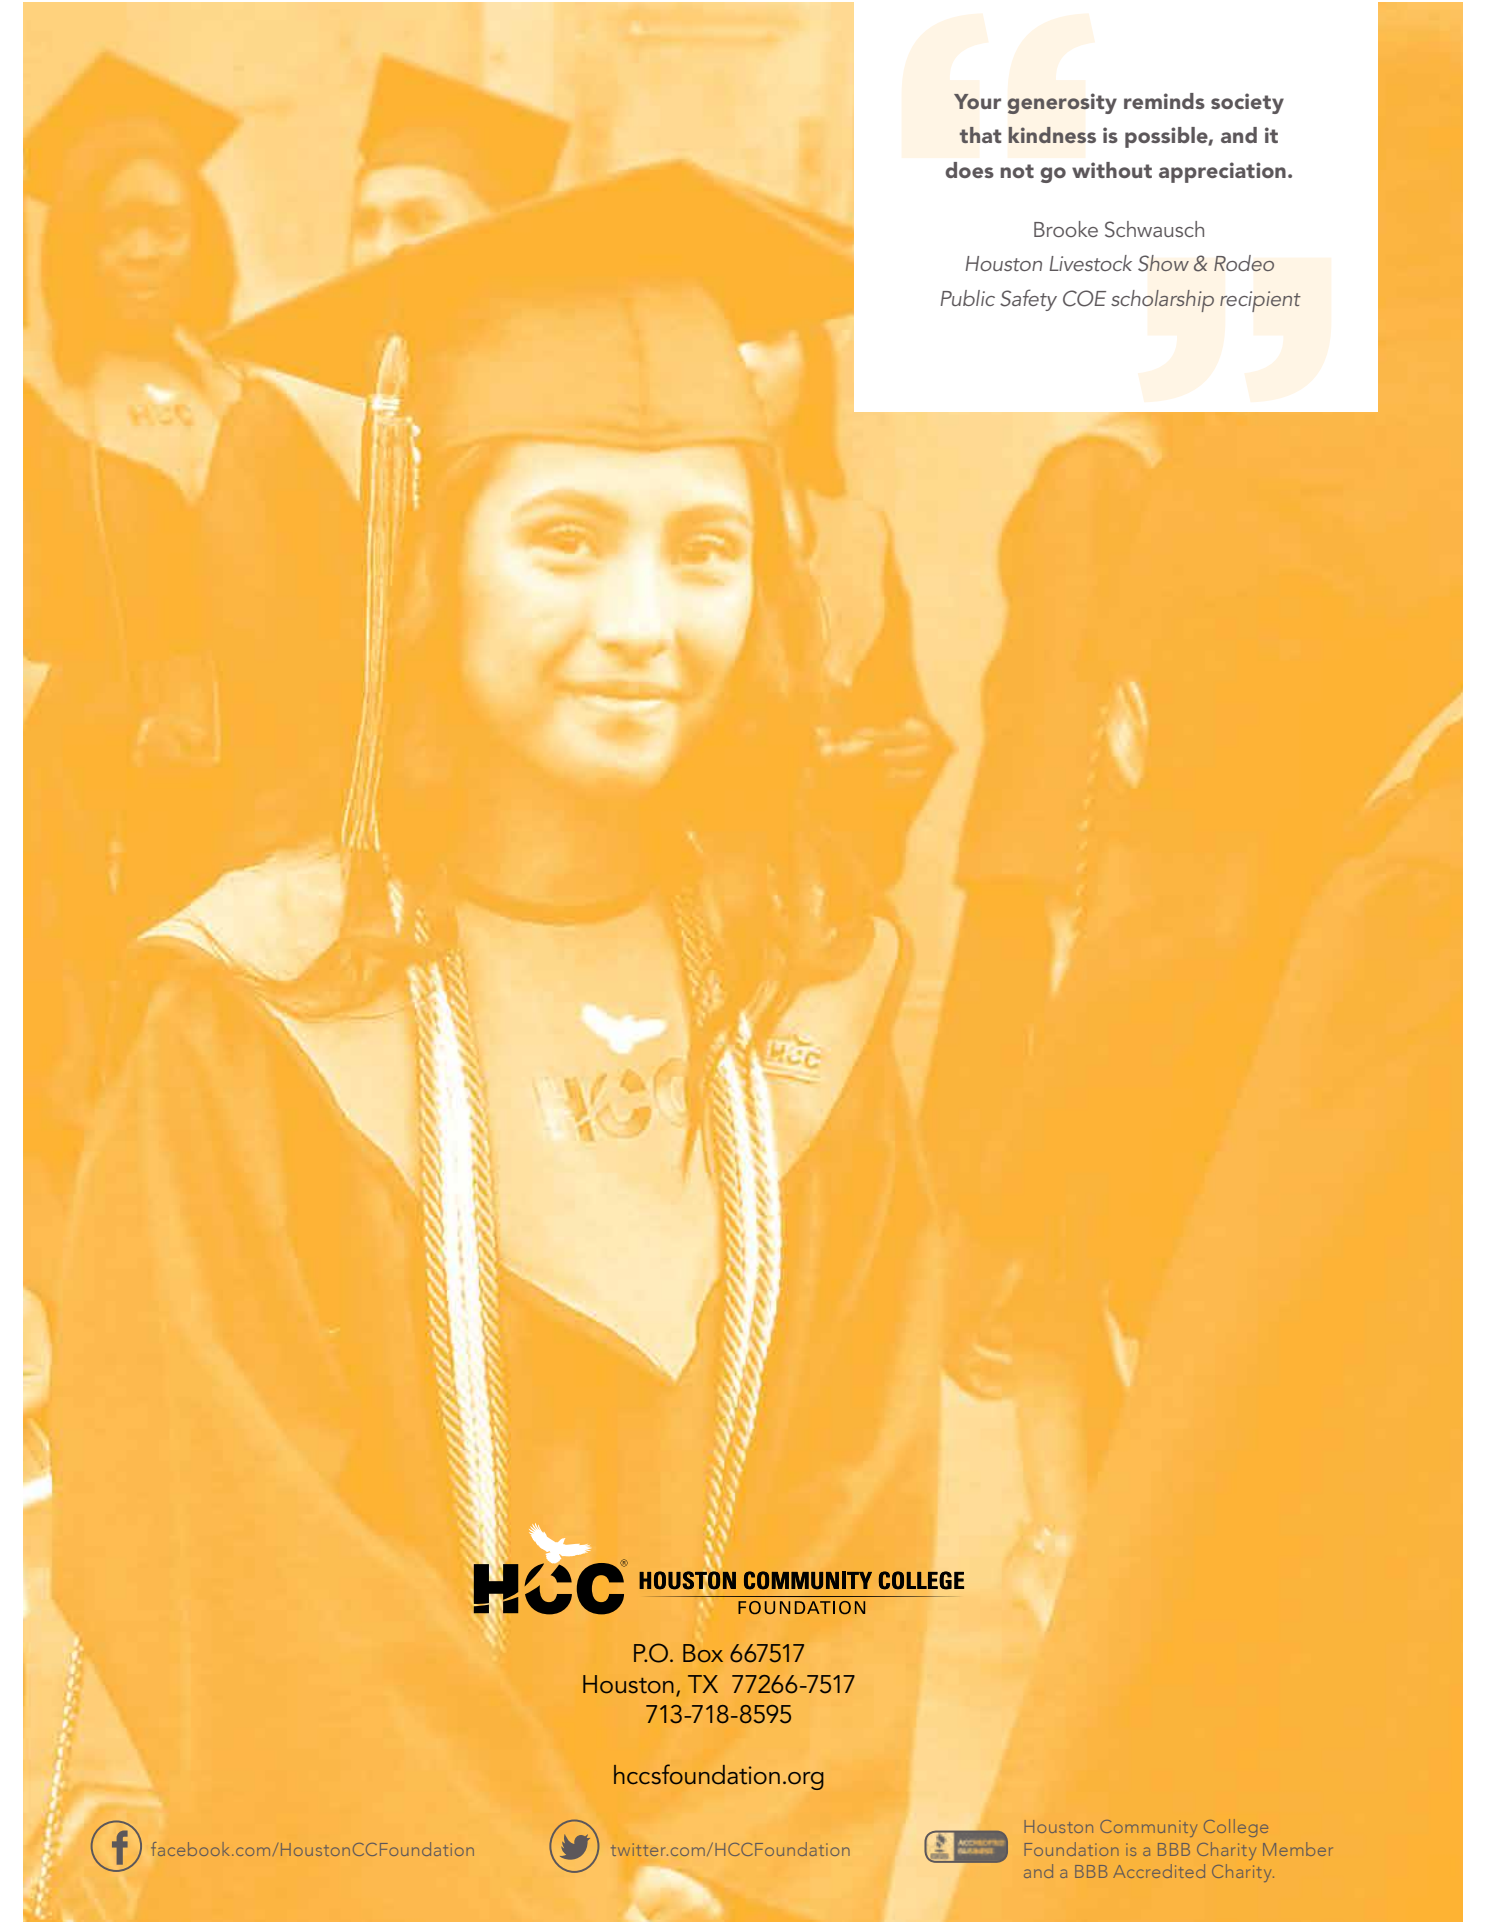

Indeed, it is, and we are grateful to have you join us on the journey.

Sincerely,

A handwritten signature in black ink that reads 'David Regenbaum'.

President, HCC Foundation Board of Directors
