

How do I get my HCCS email account?

You must be registered for at least one class before your HCCS email account is created. Please note that it will take up to 24 hours from the time you register for your first class until your HCCS Email account is created.

Your HCCS email will be your HCC Eagle ID with the domain **@student.hccs.edu**

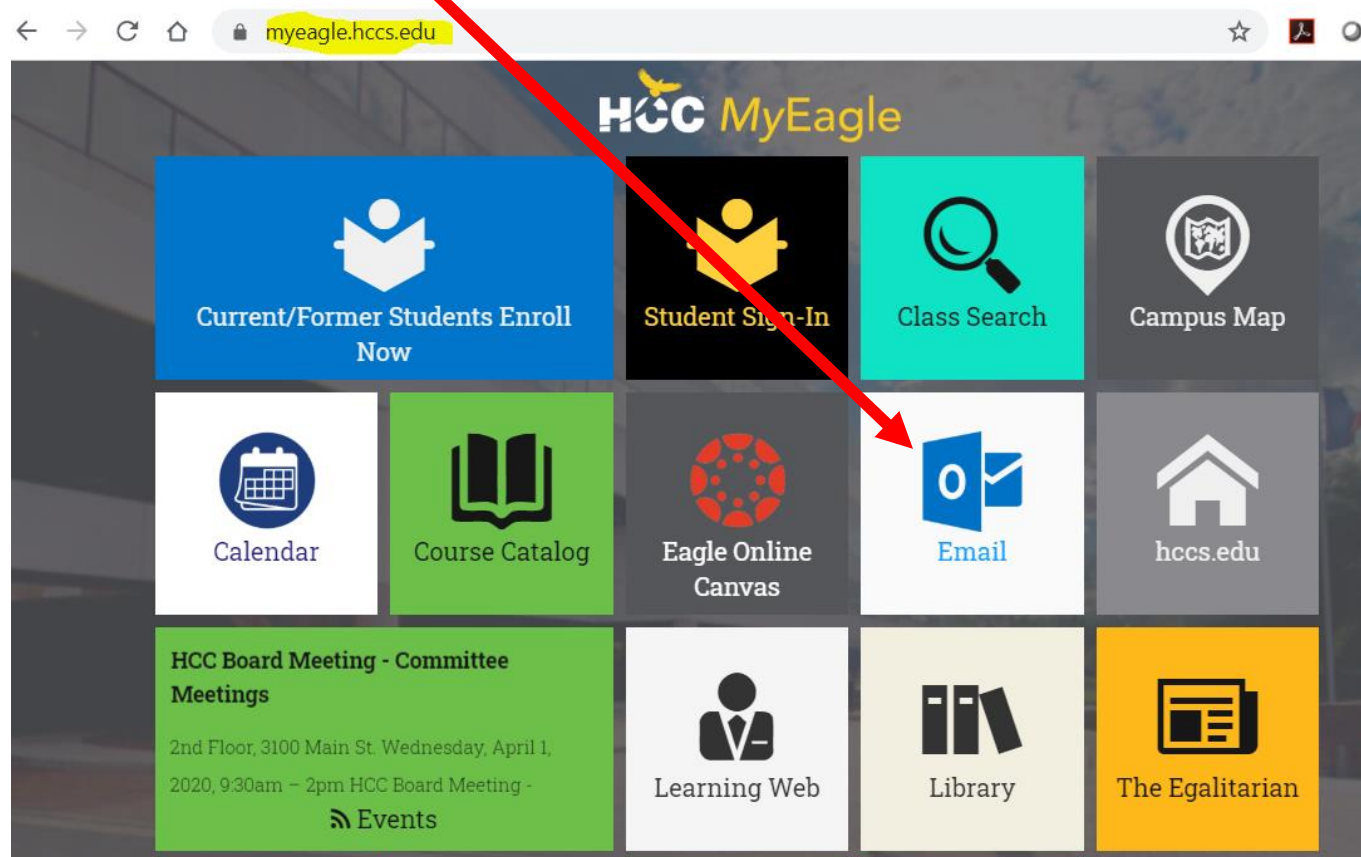

Example: W211354867@student.hccs.edu

Your password will be the same as your HCC MyEagle login. If you have forgotten your password or if you have forgotten your HCC Eagle ID, you can get assistance on this [page](#) under “**Manage Your Account**” section.

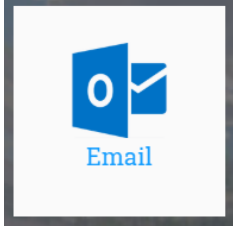

How do I access my HCCS email account?

The easiest way to access your HCCS email is from the [HCC MyEagle](#) page. <https://myeagle.hccs.edu/>

Look for the **Email** tile on the page.

You can also use this link: [HCC Student Email](#)

When you click on the Email tile, it will open a new tab in your browser where you will enter your HCC Eagle ID followed by **@student.hccs.edu**

After putting in your email, click on 'Next' button.
