ADDITIONAL COMMENTS & NOTES:

Note: For Gulf Coast Teacher Education Consortium list of schools and the AAT agreements, *see Transfer Office website.*

Bilingual certification also requires SPAN 2311-2312 (SPAN 2311 has course prerequisites).

The student must earn a minimum 2.0 GPA on sixty (60) total college-level semester hours, must complete a minimum eighteen (18) hours of coursework in the Houston Community College, must complete TSI requirement unless exempt, and have an application to graduate on file in the Registrar's office in order to graduate.

The above curriculum is recommended to give students the best preparation for success after transfer in a Teacher certification program. If a student has already taken other courses than the recommended ones above, the following options will also count toward the AAT and toward guaranteed transfer to the university offering the above certifications.

English Literature options: May choose from ENGL 2322, 2323, 2327, 2328, 2332, 2333, 2342, or 2343. (Some schools have preferences. See Transfer Office website for Gulf Coast Teacher Education Consortium list of schools and the AAT agreement.)

Mathematics options: May choose MATH 1314, 1316, 1324, 1325, 1342, 2412, 2413, 2414, or 2415.

If a student has already taken core curriculum courses differing from the designated AAT courses above, then the student should follow the AA degree plan and the specific university's transfer plan leading to teacher certification.
